- The objective of Huatai Global Investment Fund – Huatai Asia Pacific Target Income Fund (“Sub-Fund”) is to provide income and secondarily to seek long-term capital growth through investments in debt securities and equity. There can be no assurance that the Sub-Funds will achieve its investment objective.
- The Sub-Fund may be subject to 1) Investment risk, 2) Risk relating to dynamic asset allocation strategy, 3) Currency and foreign exchange risk, 4) Risks associated with debt securities (including Volatility and liquidity risk, Credit / counterparty risk, Interest rate risk, Credit rating risk, Valuation risk, Sovereign debt risk, Credit rating agency risk, “Dim Sum” bond market risk, Risk associated with urban investment bonds, Risk associated with debt securities rated below investment grade or unrated and Risk of investing in convertible bonds), 5) Concentration risk, 6) Equity market risk, 7) Risk associated with investment made through the QFI regime, 8) RMB currency and conversion risk, 9) Mainland China tax risk, 10) Emerging market risk, 11) Hedging risk and risks associated with the use of financial derivative instruments.
- The Manager intends to pre-set the relevant amount at the discretion of Set Distribution Classes and pay dividends (if any) in a stable amount every month. Different Set Distribution Classes may have different distribution amounts. The Manager can reset the distribution amount if necessary. Investors should note that a positive distribution yield does not imply a positive return. The Manager may in its discretion determine such dividends be paid from capital or effectively out of capital amounts to a return or withdrawal of part of an investor’s original investment or from any capital gains attributable to that original investment. Any such may result in an immediate reduction of the Net Asset Value per Unit of the relevant Distribution Class/Set Distribution Class.
- You should not invest in the Sub-Fund unless the intermediary who sells it to you has explained to you that the Sub-Fund is suitable for you having regard to your financial situation, investment experience and objectives.
- Investment involves risks, including the loss of principal. The price of units or shares of the Sub-Fund may go up as well as down. Past performance is not indicative of future results. The value of the Sub-Fund can be extremely volatile and could go down substantially within a short period of time. You should not make investment decisions only base on this material alone. Please read the Sub-Fund’s Explanatory Memorandum and the Product Key Facts Statement for details including the full text of the risk factors stated therein.
